

Second Vice President Report.  
Presented August 6, 2010

This year has been an active year for the New Dancer Funding Applications. Some of the applications have taken much deliberation. We have paid out a total of Seven grants this year. The total pay out to date is \$1750.00.

Six separate clubs have benefited from these awards. The Wesburn Wranglers received two of the grants. They have two separate New Dancer Clubs, on two separate nights, a New Square Dancer Club one night and New Round Dancer Club on another night, with none of the dancers in both the clubs.

The other five clubs to receive grants were:  
Chilliwack Rhythm Peelers  
Weaver Square Dance Club  
Frontier Twirlers (Crazy 8's New Dancer Class)  
Abbotsford Grand Squares  
Ladysmith Diamond Squares

We still have one application which we are working on and at the time of this report have not finalized the information.

With the difficulties found in processing some of these applications I have some suggestions to changes in the application process.

Thank you to the rest of the committee for help this year with these applications.

Lastly, thank you for the opportunity to serve on the Board of Directors for the Federation in the position of Second Vice President for these past two years.

Respectfully submitted  
Peggy-Jo Zettl  
Second Vice President
