

Secretary's Report for
Annual General Meeting
To be held at Penticton, B.C.
August 10, 2012

Square and Round Dance Awareness Week:

I have applied to the Province to have the week of September 16 to 22, 2012 designated as Square and Round Dance Awareness Week. I have not heard from the Department in Victoria if the certificate will be available in time to distribute copies at our AGM as requested.

Anniversaries:

Please advise the Secretary by mail or email as far in advance as possible of any special club anniversaries. A crest can be presented for anniversaries in five year increments starting at 15 years. A certificate can also be presented for callers or cuers celebrating their special anniversaries.

Executive and Committee Reports:

Executive members and committee heads are asked to forward their reports to the Secretary several weeks in advance of the BOD and AGM meeting. These reports are then put on the Federation website so that delegates and members are aware of the Federations activities prior to these meetings. You can find the reports by going to www.squaredance.bc.ca and click onto "meeting minutes".
