

Secretary's Report for
Annual General Meeting of
BC Square & Round Dance Federation
To be held in Penticton, B.C. on
August 9, 2013

Square & Round Dance Awareness Week:
September 15 to 21, 2013

The proclamation from the Province for S&RDAW has been received. A colour copy will be available for each Region at the AGM. The proclamation will also be posted on the website after the AGM and can be copied from there. Some Regions have found it useful to display a copy of the proclamation at their S&RDAW events.

Anniversaries:

I have been keeping a list of anniversaries (in 5 year increments) so the Federation can provide crests and/or documents where required. The outdated list that is on the website is a copy of one of my older computer records. I never intended that it should be posted on the website but I feel that it would be good to keep a current list on the website. If the members feel at the AGM they would like the list posted I would be prepared to keep it up-to-date. This way the members would know if the Federation had been informed of special anniversaries or not.

I would like to thank Norm and the Federation Executive for their assistance when I was unable to attend the BOD meeting earlier this year. In particular I would like to thank Wendy Krueger for taking the minutes of this meeting. Thank you again Wendy for a job well done.

I appreciate the Executive and Committee members who have forwarded their reports in a timely fashion prior to the meetings. It makes my job easier and allows interested members of the Federation to keep involved.
