

FOUR SCORE AND MORE CLUB REPORT

Since taking over this position in April, we have sent out 21 badges. One badge was given to us with the folder and another 50 badges have been made. We have 30 badges on hand at this time.

We believe that there are now 345 members in this club.

When ordering the badges, please give the club that the member belongs to and if possible, date of birth.

Please continue to send the information on when members are no longer dancing or have passed on.

Respectfully submitted,

Al & Connie Ritchie
