

## ROUND DANCE CHAIR REPORT

The Round of the Month for October is 'Half A Heart' (Marty Stuart) and has been chosen by Region 9. This is a Phase II + 1 Two Step with a Fishtail. It is choreographed by Kathy & Tom Nickel. The correct time on this record is 2:34. I have verified this with the choreographer.

The Round of the Month for November is 'The Waltz You Saved For Me' and has been chosen by Region 1. This is a Phase II + 2 Waltz with a Hover and a Thru Chasse. This is an easy waltz and a great way to introduce another move. This music is on Merry-Go-Round MGR099 and is available thru Palomino.

Here is the Round-A-Lab Definition for the Thru Chasse:

*From Semi-Closed Position to Semi-Closed Position:*

**# Thru Chasse** thru chasse to SCP Thru Chasse to Semi-Closed  
1,2&3; THRU TRN, SD/CL, SD;

**MAN:** Thru right commence turn to face, side left/close right, side left to Semi-Closed  
Position;

**WOMAN:** Thru left commence turn to face, side right/close left, side right to Semi-Closed  
Position;

The February Round of the Month will be chosen by Region 2 but I have not got this information as yet. The October 2015 Round of the Month will be chosen by Region 3.
