

First Vice President Report
For AGM, August 2014

We will not be able to attend the AGM in Penticton, as we will be out of province for a couple of weeks.

At the last meeting we had in Abbotsford, it was decided and agreed upon that the format for grants for New Dancer Funding be changed and was approved by the Board of Directors. For changes refer to the Bylaws under Grants. We have two outstanding applications for Grants which arrived after the Bylaw change and will be dealt with before March 31, 2015. This past year we have given 3 Grants at \$250.00 each and one Sillery Award at \$250.00.

Respectfully Submitted

Allen Ebl,
First Vice President
