

President's Report to the B.C.S. & R.D. Federation A.G.M. in Penticton August 8, 2014

As this will be my last report as President I would like to take a moment to say Thank You to all of the Executive people who have worked with me over the past 4 years. How quickly these 4 years have passed.

I must say a special Thanks to my wife, Mary for the non-ending computer work that she has done not only for me but also for the whole Federation – working with our Webmaster and the updating of the Handbook.

I have tried to communicate with our members and keep you updated through Newsletters, News Flashes, Phone Calls, e-mails and also by visiting each Region and attending at least 1 meeting there. We have visited many of your special dances and certainly enjoyed meeting so many great dancers and we feel that we are part of your family. These visits have been done on our own and many times we have tried to incorporate the visit into a little vacation time. We did not move mountains nor will we go down in history as being some great achievers but we have given it our best shot at bringing the Federation to your door.

Thanks again for giving me the opportunity to serve as your President.

Norm Cox, President B.C.S. & R.D. Federation
