Thank yous:

Thank you to the executive, committee chairs, and regional representatives for your response to our request that reports be submitted for posting on the website prior to the BOD meeting, and for your reports for the AGM. Thank you to Frank for posting them.

Thank you to all who are planning to attend our AGM, and in advance to all attendees for their thoughtful consideration of each agenda item as we do our best for the enrichment of this wonderful activity we enjoy so well.

Thank you for the opportunity to serve as secretary for a term. However, I feel I am too busy and cannot do justice to the role. The executive is seeking nominations for secretary for the election during our AGM.

Respectfully submitted by
