

Webmaster report to the 2016 AGM

The Dance Connection, www.squaredance.bc.ca

The site is running smoothly as I keep looking for ways to improve the experience for our visitors

An ongoing issue is Round of the Month updates. All I need is for someone to submit ROMs to me each month or quarter so I can place them on the site as Connie Richie has recently done.

I would still appreciate input regarding the usability and content of the site from executive & dancers.

Regards,

Frank McNeil

Webmaster for the BCfed
