

Webmaster report to the Bod meeting April 1, 2017

The web site is running smoothly. I have had some input from a few members to help keep the site up to date, but the biggest obstacle is getting updated / correct information for the site. Any input is greatly appreciated as it is a lot of information to keep track of.

I am happy to continue as webmaster for the foreseeable future.

Frank McNeil

Webmaster for the B. C. Square & Round Dance Federation
