BC SQUARE AND ROUND DANCE FEDERATION

Board of Directors Meeting
Royal Oak Women's Institute Hall,
Victoria, BC

Report for Board of Directors Meeting from Region 1
Victoria and Lower Vancouver Island BC

May I welcome you all to our fair city of sunshine and pretty flowers!

Region 1 is having another successful season of Square Dancing and everyone is enjoying themselves on our dance floors.

At our Joint dance with Upper Vancouver Island last January 29th we had eighteen squares dancing to our guest caller Gordon and Yvette Ruedig. It was a very successful and enjoyable time for all who attended.

Our new dance class has brought in approximately twenty new dancers and we understand we will be continuing in the fall with another new dancer class sponsored by the Promenaders with Dave and Juanita Baird hoping to increase our total number of dancers to keep our happy venue on the up grade!

Frontier Twirlers now have a new caller, Elizabeth Hohner who is keeping the club on their toes. The Ferris Wheelers have changed their evening dances to Thursday afternoon dances at a new location, St Martin in the Fields Hall on Obed Avenue.

We continue to have our summer dances which are well attended; Country Cousins Annual Campout in July is still going strong as well as Salty Wheels Swing and Wheel in August.

And, of course, this evenings Maverick's 60th Birthday Dance "Putting on the Ritz" which is sold out!

Thank you, Happy Dancing and have a great summer!
