

Secretary's Report
BC Square & Round Dance Federation for
Board of Directors Meeting
March 31, 2012

Square & Round Dance Awareness Week

We ask that the Province of BC proclaim "Square & Round Dance Awareness Week" in September of each year. The date is normally the 3rd week in the month. We can only have a 7 day period proclaimed as S&RDAW. I recommend that we request the week of September 16 to 22, 2012 so that some activities can take place on the weekend of 15/16 September and some activities can take place on the weekend of 22/23 September. The Province will not proclaim a special week too far in advance and I have found in the past if a request is made too soon it gets lost in the bureaucratic shuffle. The request will include a requirement that the proclamation be available in time for distribution at our Annual General Meeting in August.

Anniversaries

The Federation recognizes club and caller/cuer milestones in 5 year increments from 15 years of service. If a club, caller or cuer in your year has been serving the square and round dance movement for 15 or more years please advise the secretary by mail or email. The club can be awarded a crest for attaching to their banner and caller/cuers receive a certificate. We do not recognize the anniversary of annual functions such as Festivals, Dances or Campouts.
