

Region 3 Report April 2013,

Okanagan Square and Round Dance Association

Another year of decline in dancer membership. The region is still maintaining our three events two at a loss but having a good time.

Two of our clubs are closing their doors come the end of April.

The OSRDA is trying a e-mail communication strategy to every dancer, as to what is going on for dancers in the valley, no feedback as to how its working?

Our 40<sup>th</sup> Spring Fling at this moment has not taken place but will report at delegates meeting as to how the event fared.

As to the needs of the Okanagan dance clubs other than getting more dancer to join there is nothing more to report.

Genie French
