

**REGION 8 (UVISDA)**  
**DANCERS REPORT TO B. C. FEDERATION B. O. D. MEETING APRIL 2013**

It seems that this dance season is really flying past. Weather has been kind; therefore, lots of visiting amongst the clubs.

The West Coast Dance Program has been done with all classes. A schedule was set up rotating this level also at Club Dances. The new dancers could travel and socialize with regular club dancers. Thank you B. C. Fed. for the monetary support to clubs willing to try this program.

We regret to announce...after thirty- four (34) years, The Circle Eights Club of Qualicum have decided they must fold their club...the reason being lack of numbers. March 22nd, 2013 will be their final dance. Thank you to Mike and Lena Groenendyk for all of your support over the years.

Please join us on Vancouver Island for some fun summer events.
