

REGION 8 (UVISDA) REPORT TO BC FEDERATION BOD MEETING 2014

The delegates for the Upper Vancouver Island Square Dance Association for the BC Federation B. O. D. Meeting on April 5th, 2014 will be Jean-Guy and Cathy Moreau.

Region 8 combined six clubs have graduated forty-four (44) new dancers to the West Coast Dance Level in December 2013. From these new dancers, we expect to graduate thirty-five (35) to the Mainstream Dance Level in April 2014. Our regular clubs are designating certain nights as a West Coast Level of dancing so that these new dancers feel comfortable in attending. We feel they are doing well and enjoying our activity! We have two clubs that have started a class in January 2014 and expect to graduate sixteen (16) new dancers to the West Coast Dance Level.

The Stardusters of Powell River will celebrate their 50th Anniversary of dancing on August 16th, 2014.

Following please find some special events taking place this year:
