

Region 3 Okanagan Square & Round Dance Association.

Our Region saw two clubs say goodbye, needless to say our numbers are down in the Valley, at this stage we are still carrying on with our three events and having fun.

With only four clubs in the valley and a decline of membership, the reluctance to take on positions in the Association we are looking at trying to see if we should join Region 9 and 3 together that way there would be no conflict of Dance Events being held at the same time and maybe people will start visiting the other clubs more often?

Is this something the Federation looks after or can the two Region take care of it should it come about in the best interest of the two Regions to join as one.

Our Spring Fling is taking place in Oliver B.C. March 8th 2014 should anyone from the coast like to come dance with us.

See you in April.
