

Past President's Report for the B.O.D. Meeting March 28, 2015

I have been acting as a Sounding Block to Ken & Dennis as well as Presenter of Congratulatory Certificates from the Canadian Society to Clubs celebrating Milestone Anniversaries – Powell River, Nanaimo, Victoria and a couple in the Fraser Valley.

I do enjoy receiving the minutes from the different Regional Meetings, the Dance Magazines/Publications from each Region and being kept up to date with the goings on. We are so lucky in B.C. to have people with these skills and time to produce these magazines – Cross Trail News, The Well Rounded Square, Valley Circle and the Cariboo Connection. Thank you to all those hard working volunteers.
