

ROUND DANCE CHAIR REPORT

MARCH 6, 2015

The Round of the Month for October is 'Girl In Your Arms' (Michael English) and has been chosen by Region 3. This is a Phase II + 1 Waltz with a Box Finish. It is choreographed by Casey & Sharon Parker.

The Round of the Month for November is 'Saginaw, Michigan' (Lefty Frizzell) and has been chosen by Region 8. This is a Phase II + 1 Two Step with a Strolling Vine. It is choreographed by Diana & Jake Ring from Campbell River, BC.

The music from both of these rounds can be downloaded from I-tunes and the cuesheets for both are available from Cue Sheets From All Over.

Please be careful when choosing that the music is available. If it is a record, please check with Palomino to see that sufficient records are available. Our handbook suggests there should be 100 available. If the music is to be downloaded, please make sure that it is available from a Canadian site.

The February 2016 Round of the Month will be chosen by Region 9. and the October 2016 Round of the Month will be chosen by Region 1.
