

Report from the Retiring Webmaster for the B.C. Federation Website

It has been many years since I talk with Don McLeod at a squaredance in Poiers Barn in Kamloops about setting up a Square Dance Website for the B.C. Square & Round Dance Federation. At that time we set out goals for the near future and jumped right in. I am happy to say that we have for the most part fulfilled those high goals of the time.

Frank Mc Neil has been a part of this dream for many years although not in the forefront. I am glad to say that Frank has agreed to take on the new goals for the federation website starting on April 1 2015.

I hope that you all get behind him as you have me to take this dream into the future.

Ingrid & I would like to thank you all for your support & have enjoyed meeting and having that special bond with all the dancers in BC.

I hope to see you again in the near future on the dance floor

Past Webmaster

Phil & Ingrid Douziech
