

BC Square and Round Dance Federation Board of Directors Meeting,

Abbotsford, March 28th, 2015

New Webmaster's report

Submitted by Frank McNeil

Phil Douziech has asked me to take over the position of Webmaster for the Dance Connection web site. Assuming there are no other volunteers for the position, I accepted his offer to start April 1, 2015.

I would like to acknowledge Phil Douziech for his work on the web site over the last 20 years, and thank him for recommending me for the Webmaster position.

Working with the revitalization committee, I will be taking care of the technical aspect of the Dance Connection web site. We will be working together to create a new look and to re-organize the many pages and documents on the site.

I have been talking to Rae French at Aponis web hosting service that we currently use; she offers high quality customer service, free training and full support of the server that is dedicated to squaredance.bc.ca

As the Webmaster for the B.C. Square & Round Dance Federation, I will use my knowledge and experience to keep the site in good working order. I look forward to learning new ways of making the site a tool for promoting Square Dancing.

Regards,

Frank McNeil
