

It is my pleasure to serve as secretary of the Federation. I participate in and take the minutes at 3 meetings a year, send out the occasional email, and I forward the Regions' reports for posting on the website, and that is about the extent of my work. I enjoy square dancing more than any activity I have ever done, and I love calling and cueing too. It's fun to help in a small way to perpetuate the activity, and always very pleasant to be with other dancers, callers, and cuers.

Please contact the President or myself in writing by Canada Post or by email if your club, caller, or cuer qualifies to receive a commemorative crest. Crests are available in five year increments starting with 10 years of operation. We can also recognize callers and cuers for their service in five year increments with a certificate starting at 15 years. We would appreciate a couple of months' notice and if possible, a Federation executive member will attend your event to make the presentation.

Please feel free to contact the President Couple (kcrisp@telus.net) or myself, the secretary ([contact information below](#)), with any comments or concerns so that we might better serve the dancing community in British Columbia.

Respectfully submitted by
