

# *Webmaster's report*

to the Board of Directors meeting of the B.C. Square & Round Dance Federation  
April 7, 2018

I discovered that some unknown people had signed up as users, although none of them were able to make any changes that I could see. I removed these entries and made a change to prevent this from happening in future. As a result, anyone wishing to access the web sight to edit pages or update the calendar will have to contact the Webmaster to obtain a username and password.

The Calendar is not being kept up-to-date. I had some volunteers, but there are no dances listed on our calendar. Volunteers that will assist keeping the calendar listings current would be appreciated.

Contact Frank McNeil for log in information.

I continue to update the look and usability of the site on an ongoing basis.

Regards,  
Frank McNeil
