Newsletter, June 2015

The square and round dance season has come to a close in most parts of the Province and I would like to wish all of our members a pleasant Summer. Hopefully you will find some time to attend Summer dance programs in your area.

Please make every effort to help promote new dancer classes in your Region and in your clubs. Our activity will not survive if we don't all make an effort to make square and round dancing visible and available for all to see. Please ensure that new dancers have a friendly and welcome experience.

Please note that the Province has declared that the week of September 13 to 19, 2015 shall be known as Square and Round Dance Awareness Week in the Province of British Columbia. A copy of the proclamation will be available for each Region to copy and use in the promotion of our activity during that week.

All members of the BC Square and Round Dance Federation are welcome and encouraged to attend the Annual General Meeting to be held in Penticton on August 7th 2015. Details can be found on the website at www.squaredance.bc.ca Executive and Committee reports can be found on this site as well.
