

Past President's Report for Board of Director's Meeting
To be held in Victoria, B.C. on Saturday March 30, 2019

A big thank you to Norm Cox for agreeing to perform the Past President duties at the BOD meeting. The Past President normally provides guidance and direction to the current executive. Norm has performed this function during my term as President and was always appreciated for his experience and advice. The current executive is strong and capable and under the leadership of Jean Wood will probably not require a lot of assistance from the acting Past President.

On more of a personal note I regret not being able to attend this meeting but I need to take care of my personal health at this time. I am pleased to report that I have completed the first round of Chemotherapy and Radiation with only the loss of some hair and no nausea or headaches. I am anxiously waiting for the results of this treatment to determine what lies ahead. Sally and I appreciate the messages of concern and hope that we have received from so many of our square and round dance friends. A big thank you to all of you.

Ken Crisp, Past President
BC Square & Round Dance Federation.
