

3RD Vice President Report

August 5th 2011.

Wow in a blink of the eye two years have gone by.

The start of my term Region 3 was in its second day of a B.C Festival towards the end of this term a B.C Festival was cancelled.

In between a couple of positive things have happened to help regions promote Square Dancing, a Health Brochure was made up on how dancing is good for you also a pull up banner for each region to keep and use in helping to promote Square Dancing for all clubs.

The handbook is current as to the information that has been given to me.

Just a note on the cancelled Festival this should not have happened as numbers were fine, help was made available from Region 3 to help with Round Dancing and anything else that needed to be done they were in the home stretch and the dancers would have been there, what a missed opportunity for that region.

A big Thank You to Peggy Jo for all your hard work and effort in trying to keep the Festival ball rolling.

Food for thought:

All Callers Cuers and Dancers should know that every two years a B.C Square and Round Festival takes place and they should try to make themselves available to participate otherwise the Festival dies,

I myself have always looked forward to the next Festival.

It has been a privilege to be a part of a group who have a common goal in trying to keep Square Dancing alive.

Thanks for the opportunity.

Genie French.
