

Moving & Grooving Report - AGM - Penticton
August 2011
Submitted by Mary Anne Turner

We continue to receive orders by mail for Moving and Grooving and at this date we have sent out 296 copies - spread far and wide. While the price for the product is still \$65.00, we did increase the shipping and handling costs due to added HST taxes and higher Canada Postal rates.

Included below is a list of those locations that have ordered copies of Moving and Grooving. I include this, not only for your interest, but so you can see if Moving & Grooving is being used in your town.

I encourage all dancers and leaders to become familiar with this product (<http://www.squaredance.bc.ca/grooving/index.shtml>) and speak to your local schools about it. Help us to involve school children in a positive dance experience.
