

Second Vice Presidents Report  
Year 2011 -2012  
Board of Director Meeting March 31, 2012

Prepared by Peggy – Jo Zetl

This year has been slower as far as New Dancer Applications. With the help of the committee we paid out one New Dancer Application, which went to Star Country Squares. This application brought up some new questions from one of the committee members, which we will talk about at the meeting.

Three applications were received for the Education grant. Only one of these was able to be paid out and that went to John and Margaret Race who live on the Island and attended a school in Calgary.

Thank you to my committee once again for all the help this year, having you onboard really helps me with these applications.

February was exciting for me as Norm asked me to attend the Dawson Creek Mile Zero Grand Squares 50<sup>th</sup> Anniversary on behalf of the Federation and present the 50th Badge. Beth and Darcy also contacted me and asked me to present the CSRD Society Recognition Certificate. February 11<sup>th</sup> we went to Dawson Creek for their Anniversary weekend. There were five squares on the floor most of the time and a great time was had by all. Three other couples from Prince George attended along with my husband John and three young dancers from our new young peoples club in Prince George. Jean and Bernie Smith received the Badge and Recognition Certificate on behalf of the club, and were very surprised to receive the certificate as they had been informed that they would receive recognition, but thought a letter would come in the mail. Thank you very much both Norm and Mary and Beth and Darcy for this opportunity.

This has been another good year for me. **Thank you** to the committee that helped me, Mary and Norm for their help, Beth for her help and paying out the applications approved and everyone who supported me in this venture.

Respectfully Submitted

Peggy-Jo Zetl  
Second Vice President.
