

Past President's Report

I thought that I was all through with this Position and I had hung up my hat for good. Due to Ken Crisp's medical condition I am back and how Covid and Proxy have changed things. Proxy to me is like dancing with a phantom - you have to anticipate their moves and thoughts - I guess I am from the old school where real people count and are heard. Times do change for better or worse.

Festival 2020 Report

All Refund Cheques have now been mailed out and we wish to THANK the B.C. Federation and Fraser Valley Association for their \$2,000.00 donations and also the Canadian Society for their \$4,000.00 Donation which means that we will be able to pay all Expenses. There are still some Bank Charges and Shipping Costs yet to be paid and then the account can be closed.
