

Past President's Report for A.G.M. April 10, 2022

With Covid and Zoom now a reality the way we do business has greatly changed. Will we ever get back to the way it was before Covid? The answer is No and Yes. Zoom is here to stay but hopefully someday we can meet in person to celebrate some clubs' Milestone and Anniversary. The job of the Past President is to be in charge of Nominations so a Big Thank You to Dennis for stepping up to fill the position of President with the resignation of Jean wood and also to David McVige for coming on board to fill the Vice President's position. Yes we are always looking for New People to come on board. Remember it's a Joint Organization of Caller Teachers and Dancers. Make sure your Region has Representative on This Board.
