

Webmaster report to the AGM Zoom Meeting  
April 10, 2022

A big Thank-you to Jean Wood for her work on the Round Dance page and Cuer info as well as setting up the online Calendar.

To date there has been no input for updating the online calendar except for myself adding my own club's info on their dance nights and I have added the Festivals page with a few Festivals already added in.

The access information for each club website has changed, anyone that has an issue please email me, I will forward the new ftp connection info or WordPress log-in info as needed. I am missing some information for who is taking care of some of the sites, so I am waiting for those people to contact me.

Input for the online calendar or suggestions for our website are always appreciated.

Regards,  
Frank McNeil  
Webmaster
