

CLOGGING REPORT FOR AGM

Some of the cloggers in BC remained active during the Covid shutdown by doing classes via Zoom. We are very fortunate in that we don't need a partner for our dance form which makes it much easier to do a Zoom class. The Bastion City Cloggers & Rocky Mountain Cloggers kept their dancers dancing on Zoom.

The Rainbow Stew Cloggers danced outside weather permitting, in the parking lot of the hall where they regularly danced. They still are dancing outdoors weather permitting as their instructor (and some of the dancers) are not comfortable being indoors in a large group.

Other groups have not danced during the shutdown & are just now getting back to in-person classes. From what I have heard, the Capital City Cloggers are now back to regular classes as well as the Bastion City Cloggers & Rocky Mountain Cloggers. The Okanagan Cloggers are also getting back to regular classes & are planning their annual workshop in June. We are all excited to be able to get together again on the dance floor.

The Bastion City Cloggers are also working on their annual workshop for November. Travel to the US workshops is still not happening due to the testing requirements from the US & the added cost of those.

Clogging is alive & well in BC even if it is suffering a decline in membership. Some groups are still thriving, others are suffering membership losses. Some have new dancers this year for the first time in a while. But we all continue to enjoy the fellowship & fun of our dance form.

Barb Guenette, CCI
