

ROUND DANCE CHAIR REPORT

April 10, 2022

The report that was posted for April 14, 2021 AGM is still valid. As most clubs are only just getting back to dancing, the 2 rounds listed below have not been taught. I would suggest that they be used for the Round of the Month for Oct and Nov 2022 respectfully.

The next Round of the Month, hopefully for February 2023, will be chosen by Region 9.

The following 2 dances will be the Round of the Month for the first 2 Months when we get back to dancing.

'Waltzing On Top Of The World' was supposed to be the Round of the Month for October 2020. This will be first Round of the Month when we get back to dancing. The artist is Jim Reeves, and the dance is a Phase II + 2 (Hover & Pivot 3) Waltz choreographed by Peter & Stella Tennant from Vernon. This has been chosen by Region 3.

'One Night At A Time' was supposed to be the November 2020 Round of the Month. This will be the second Round of the Month when we resume dancing. The artist for this dance is George Strait, and it is a Phase II + 1 (fishtail) Two Step choreographed by Ray & Virginia Walz. This has been chosen by Region 8.
