

Report from Region 5 Caller, Cuer, Dancer Association for Federation AGM-
April 10, 2022

Things are looking gloomy for Region 5. We have only 3 clubs in the region now and they are not doing well

Vanderhoof Drifting Squares - They have not been able to restart dancing. Their dance venue has been sold and is no longer available to them. They have only 5 dancers remaining who would like to continue. If they are to continue, they will have to undertake a massive recruitment drive and try to find an affordable place to dance.

Prince George Northern Twisters - They restarted dancing on March 14th and had 13 members show up to dance. As of Monday March 21 they have confirmed that 20 members will not be returning due to various reasons and possibly 3 more may not be coming back. So at this time, Prince George is only able to put 1 square on the floor.

William Lake Stampede Whirlaways - They restarted dancing on March 10 and have 12 dancers that have returned. Eight dancers have confirmed that they will not be coming back to dancing. At this time they are only able to put 1 square on the floor. They will continue to dance until the end of April and then see what happens in the autumn.
