

## Report from association 9 for Federation April 2022

We were able to hold our association meeting in person for a pleasant change on March 20<sup>th</sup> and had our St Patrick's dance afterwards. It was so nice to be able to get together in person. Passports were still checked, and many choose to wear masks, but everyone had a great time. We are still not back to pre Covid times and it's difficult to know if that time will ever return. We chose to not share food or have coffee at this time but that may yet change.

Association 9 will be holding their AGM in April. There will be a dance held afterwards.

Many of our clubs have resumed dancing in an on again/off again/on again way.

It will be interesting to see how the numbers sort in the end and if we have a great influx of beginners or if many of the past dancers will return. Time will tell.

We are in the process of sorting out the application for assistance from the Federation but are finding it quite time consuming and although the questions seem simple enough it has been difficult to find the answers, but we will continue to work on it.

Association 9 is happy to announce that we will be holding Chase the Fun 2022. Please stay tune for further information and please be sure to share it with your friends. We look forward to having visitors and being able to dance together again.

Wendy Trudel

President Association 9
