

From mae Fawcett vice president in charge of grants

Our committee consisting of norm cox and wendy trudel and myself

There were four grants available

Regional promotional grants of up to 5000.00

Club grants of 500.00 for new dancer classes

Club grants of 500.00 for class advertising geared for restart

And the past bursary granted every second year of 250.00 for expenses incurred with new dancer classes

Note the clubs could apply for more than one grant

We have reviewed a total of 10 clubs applied (most for two grants) and 4 regional applications for this 2022/2023 season

Some were very straight forward, some needed alot of consideration, not all were approved, and some were approved with conditions to be met, and a couple that came in days before the deadline have been approved by the committee but not confirmed by the board or passed over to Pat for payout

Your committee approved

Three regional grants of 5000.00 each 15,000.00

Club grants for class advertising restart of 500.00 x 7 = 3,500.00

Club grants for new dancer class start ups of 500.00 x 1 = 500.00

Club grants for the 2 year bursary of 250.00 x 5 = 1,250.00

A total of 20,750.00 grant money paid out for this season 2022/2023

From Pat's records from last season 5836.51

(Note actual receipts from club reimbursements is the reason for the dollars and cents )

Grand total of all grant money spent by bc federation on restart and rebuilding clubs in bc to date

26,586.51
