

Webmaster report to the AGM.

April 30, 2023

Recent changes I have made to the site.

I updated the Home Page with a new look, Organized the information for the Sillery Award and Grants to their own page for easy viewing. Links to the upcoming Cuer school and Caller school are on the main menu of the site.

I added a link to the Promotion Library on the R5CCDA web site that contains articles and editable posters and brochures.

I will suggest to the webmasters of each region to add this link to their site for their clubs to have access to this extensive library posted by Nick & Mary Anne Turner.

I continue to assist with region and club web sites as needed.

Lately, region 9 and Salmon Arm Squares lost their Webmaster so I was asked to do some updates to their sites.

I have updated the Federation Dance Calendar with information I have at hand. I also keep the Festivals page up to date with information on Festivals that would be of interest to B.C. Square & Round Dancers.

Suggestions and observations regarding the Federation web site are always appreciated.

Regards,

Frank McNeil
