

## **CSRDS REPORT**

It is with great sadness that we report the passing of our past President, Eric McCormack yesterday afternoon. Eric and Diane are directors from New Brunswick

Next meeting is next Saturday.

Planning for Calgary is proceeding well. Some calling assignments have gone out.

**ENTANDEM**: Nothing more to report. Still a dog's breakfast. Some leaders have had their accounts straightened out, some haven't. If you have issues, please contact **Serge Cassano**

Industry Partnership Lead
