

Webmaster report

to the B.C. Square & Round Dance Federation AGM April 28th, 2024

The web site is running well as usual with design input from Alexandra Mae's suggestion of a Chatter for Regions/Club on the Federation site has started up. We have had one submission from Region 1.

I assisted Regions 1 and 8 in creating WordPress sites. They both created very nice-looking web sites.

I found out recently that the new email system that came with the recent server move is not compatible Shaw email for forwarding. i.e. valleycircle@squaredance.bc.ca forwarded to me at fmcneil@shaw.ca will be rejected by Shaw's email server.

I will be reviewing the list of forwarded emails and notifying anyone affected.

Suggestions for / assistance with the web site will be welcome. Thanks to Alexandra for her assistance with tidying up the site.
