

Report from Region 9 for October meeting

Our clubs have started to dance again with beginners both in Mainstream as well as SSD being offered. There is an excitement in the air as we welcome new people to this great activity.

It is only October but clubs have begun planning Christmas parties . Thompson Valley Starts will be holding their Christmas event on Saturday December 6th out at the Chase Hall.

There are several posters and event details up on the region 9 website so please visit to stay up to date on what is happening in our area. Visitors are always welcome .

Our first Association meeting takes place on October 19th directly after the Federation meeting .
