

Report from Mae Fawcett

1st vice-president of your bc federation

I have been continuing to work with regions and clubs to utilize the bc fed website

I created a document,, more of a letter to clubs rather than the brochure as planned. The letter sent out to clubs was both an informational one about what bc federation has to offer its members and a tracking device to understand where the lines of communication between regional directors, clubs, members and bc federation are needing flow

Vanda Stork suggested a mail chimp system which i will work to investigate further

I assisted in putting on a cuer's school with Lyle O'Hara in July

And have been working with the attendees with both leadership and music grants

So far 1675.00 For leadership 500.00 for music

The frazer valley attendees were having challenges to receive a portion of cuer's school fees, but as a board we worked out that bc fed would contribute the full amount of the grant, with any monies allotted towards the attendees from region 2 would go directly to bc federation

In addition John and myself have traveled and attended the festivals in Langley and Lacombe Alberta and stopped by various clubs throughout Alberta, region 5, region 9, region 3 region 4 and listened to both dancers and callers to hear and assess square dance, contra, line dance and round dance issues

Hopefully it will give me a better insight to better contribute to bc federation

I am pleased to let my name stand for another term with bc federation
